

VINACAPITAL JOINS HANDS TO SUPPORT THE GREEN DEVELOPMENT OF BUSINESSES

During the meeting of the "Press and media supporting the green development of businesses" in Ho Chi Minh City on the morning of September 23rd, Don Lam, CEO & Founding Partner of VinaCapital, shared: "The topic of green and sustainable development is increasingly popular in Vietnam. The government, businesses and social organizations are taking more and more practical actions towards green development. We cannot have a quality life if we only focus on economic development and forget about environmental protection. VinaCapital is one of the pioneering investors in the field of ESG (Environment, Society and Governance) in recent years."
